

## **CarbonCounted Simple Agreement with Enabling and Verifying Consulting Partners**

CarbonCounted's methods and systems are intended to be enabled and implemented by Clients primarily with the assistance of an enabling consulting partner. CarbonCounted Carbon Footprint Solutions (CARBON) and \_\_\_\_\_ (CONSULTING PARTNER) jointly agree that;

1. CONSULTING PARTNER will have full access to CARBON's CarbonCounted systems and methods.
2. CONSULTING PARTNER is not required to pay to CARBON any commission on any consulting or verification revenues. CONSULTING PARTNER is free to set any fees schedule directly with the customer for any services.
3. CONSULTING PARTNER's clients in CarbonCounted's systems are required to pay annual [membership fees as outlined on our website](#). These fees are negotiable.
4. CARBON will provide training documents and support to CONSULTING PARTNER to interpret the CarbonCounted methods and in procedures for preparing audits and reports.
5. CARBON will give CONSULTING PARTNER contact leads and information on clients that register in CarbonConnect. CONSULTING PARTNER will follow up these leads for implementation and annual verification. CONSULTING PARTNER will prepare and share an annual marketing and sales activity plan(s) with CARBON.
6. CARBON will maintain a referral list of accredited CONSULTING PARTNER's on our web site with contact details for clients to access. CONSULTING PARTNER will co-list back to CARBON.
7. CARBON will write news posts related to new clients (members) to highlight the use of the system. An example is available at <http://www.carboncounted.com/index.php/2009/carbonforesight-six-senses-case-study>. CARBON will advise CONSULTING PARTNER of the post before it is made public. CONSULTING PARTNER will advise CARBON if their clients do not wish to have a post.
8. CONSULTING PARTNER will offer (to your clients) the CarbonCounted system implementation and verification audits in accordance with all aspects of the latest edition of relevant international standards and the CarbonCounted Auditor Reference Manual.
9. CARBON is the owner of CarbonCounted.com and all registered and unregistered trademarks contained therein. CARBON is the owner of CarbonConnect, the CarbonCounted systems and methodologies, and maintains copyright of all information on the site(s) and all related documentation.

10. It is mutually agreed that CONSULTING PARTNER will not directly or indirectly share, disclose, use or duplicate any CONFIDENTIAL INFORMATION as disclosed by COUNTED, without COUNTED'S prior written agreement and approval. This agreement is subject to and incorporates the CarbonCounted NDA available at <http://www.carboncounted.com/index.php/2009/carboncounted-nda-agreement/> and these terms and conditions contained herein and together such documents form the Agreement between the parties.

Please review and complete attached Schedules A, B and C.

### **Schedule A – Annual Consulting Partner Membership**

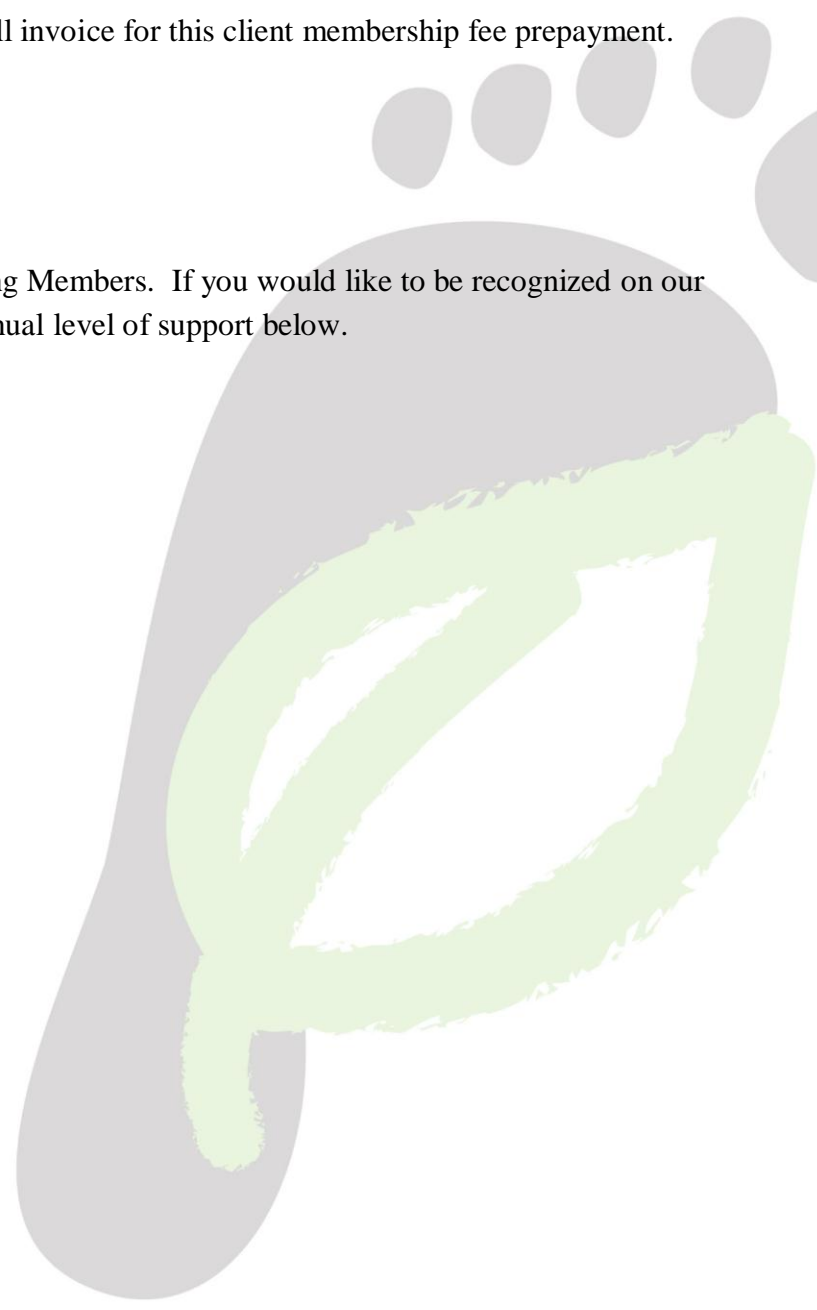

Consulting Partners are invited to become sustaining members but this is not a requirement. However, all consulting partners must prepay \$300 CDN in client membership fees each January to remain an active consulting/enabling partner. This \$300 payment will be deducted from client membership fee billings.

Upon executing this agreement, CarbonCounted will invoice for this client membership fee prepayment.

### **Schedule B – Sustaining Membership**

Consulting Partners are invited to become Sustaining Members. If you would like to be recognized on our site as a Sustaining Member, please indicate the annual level of support below.

- \$100 Annual Member
- \$1,000 Silver Member
- \$5,000 Gold Member
